### Colour Key

<b>General English</b>	The focus will be on speaking and listening and improving the students' ability to communicate through day to day activities such as shopping, travelling and eating out. Students will improve their skills in areas like negotiating, discussing, compromising and asking for clarification.
<b>Academic English</b>	Students will be led through various stages in order to produce a poster presentation which they will present to an audience in a poster presentation fair. The focus will be on students improving their academic skills with a focus on speaking and writing. This will give them the opportunity to use language and skills learnt in the General English sessions.
<b>Content English</b>	Sessions, lectures and seminars specifically related to the different subjects covered in the course. It also recycles grammar and vocabulary covered in the general English lessons.
