

# MASTER OF ARTS IN GLOBAL AFFAIRS

## Academic Tracks

### ***Globalization and Security***

Focuses on understanding and managing varied security-related issues impacted by globalization that challenge businesses, governments, non-governmental organizations, and international institutions. Students delve into such topics as human rights violations, intelligence and surveillance, and terrorism.

### ***Global Risk and Corporate Responsibility - Online***

Provides real world training on the issues affecting today's global corporate environment. Students learn strategies to cultivate strong stakeholder relationships, tactics for minimizing risk, and approaches to decision-making with a lasting impact.

### ***International Crime and Justice - Online***

Offers distinctive specialized credentials making for competitive placement in domestic and international criminal justice agencies. Students establish expertise that cut across national security, defense, and international organizational missions.

***Ranked as One of the Top 40 Master's Programs for Policy Careers in International Relations by Foreign Policy Magazine***
